- Have you been in contact with a confirmed case of COVID-19 in the last 14 days?
- Are you experiencing a cough, shortness of breath, or sore throat?
- Have you had a fever in the last 48 hours of 100 degrees or higher?
- Have you experienced a new loss of taste or smell?
- Have you experienced vomiting or diarrhea in the last 24 hours?

While at camp:

- Campers will be assigned a Huddle Group. This Huddle Group will stay together throughout the entirety of the camp session (room together; participate in all activities together, etc.).
- Any camper developing a fever will be isolated and the parent/guardian will be contacted to come pick that camper up from the camp site.
- If the camper still has a fever of 100 degrees or higher by bedtime of the same day, the camper may not return to camp.
- If the camper does return to camp the next day, that camper will have their temperature checked by staff before they're allowed to check in. If the temp is 100 degrees or higher, the camper may not stay at camp.
- Parents of the campers in that Huddle Group will be contacted. Parents may determine to let their camper stay in camp or may come pick them up.

DOES CAMP BRIARWOOD PROVIDE ACCIDENT INSURANCE?

Camp Briarwood has received your permission to take care of your child if there are any medical problems. Children that are injured in camp activities fall under the insurance coverage of their parents. Should a parent be without insurance, the church does have a policy that would cover accidental injury of your child. If your child is not covered under a parent's health insurance plan, please notify the camp office.

WHAT IF MY CHILD IS INJURED?

Camp Briarwood strives to have a nurse on site to take care of minor injuries. If we don't have a nurse then Camp Chandler has qualified First Aid staff. A more serious injury will be addressed appropriately. Also, please refer to the consent form which you signed on the registration form. You can download a copy of the registration form from our website.

CAN I WRITE LETTERS TO MY CHILD AND RECEIVE MAIL FROM THEM?

Yes. There will be a mail call each evening. The first mail-call is on Tuesday of each session of camp. This has become a fun part of the day. We prefer you bring your mail to Check-In when you bring your campers. Write the night you want them to receive the letter(s) and give it to the staffer at the Check-In table.

OR Mail may be sent to:

Camp Chandler

Child's Name

Camp Briarwood

Wetumpka, AL 36092

MAY I SEND FOOD?

No. Food attracts bugs into cabins making for a very long week for everyone. Any food sent will have to be taken up.

WILL MY CHILD NEED MONEY AT CAMP?

No. The only place to spend money at camp is the canteen. Please bring \$15 cash to Check-In. This will be collected and will allow your child to have snacks each day at the canteen. If your child brings any additional money to camp, it is the responsibility of the child to keep up with that money.

ARE BATTERY OPERATED GAMES, ELECTRONIC GAMES, CELL PHONES, ETC ALLOWED?

Sorry, no. This week is an opportunity for your child to get away from all of that. Many of them will believe that they cannot survive, but you'd be surprised how many campers actually do make it through a week without electronic devices.

IN CASE OF EMERGENCY, HOW CAN I GET IN TOUCH WITH MY CHILD DURING CAMP?

1. Please call the Camp Director (phone number will be provided the Monday morning of check-in). If you do not reach the director on the first try, please leave a message.
2. Call the Camp Briarwood office, 205-776-5237.

WHO ADMINISTERS DISCIPLINE AND HOW?

Camp staff will never spank campers. Should a situation arise that requires discipline, the Camp Briarwood staff will follow this protocol:

1. The camper's counselor will sit the child out of some or all of an activity.
2. If that doesn't work, the counselor will take the camper to the Camp Director. The Director will then attempt to rectify the situation through counseling and/or removal from activities.
3. If the camper is still having trouble the parent or guardian will be called to discuss the problem with the child.
4. As a last resort, the parent or guardian will be called to come to camp and pick up your child as soon as possible.

MAY I VISIT MY CHILD AT CAMP?

We recommend against visitation during the camp week. Please do not misunderstand, parents are welcome to visit camp, but we ask that you use discretion. If you are visiting because our child is homesick, or maybe you are missing your child, please reconsider your visit. Please contact the Camp office at 205-776-5237 to schedule a visit.

WHAT ABOUT THE CAMP GROUP PHOTOGRAPH?

Group photos must be pre-ordered from the Camp Briarwood office before camp begins. If you did not order a photo on your registration form and would now like to, please call the office before our camp session. Photos cost \$8 each. The photo will be taken at camp on Monday. You will receive the photo at check-out.

WHAT ABOUT THE CAMP T-SHIRT?

T-shirts are \$15, must be pre-ordered and will be received at check-in on Monday morning. If you did not order one, please check with the camp office to see if the order has already been placed with our vendor and what can be done.

WILL MY CHILD BE PUT IN THE SAME GROUP WITH ANOTHER CHILD I REQUESTED?

Our desire is to honor every parent's request. The counselors carefully review all requests when they put together the camper groups. There may be times when we can't accommodate every request, but we try because we believe this will result in the best camp experience for every child.

WHAT CAN I DO TO HELP PREPARE MY CHILD AND MYSELF FOR CAMP?

1. Encourage your child to respect the authority of the camp staff.
2. There will be many children at camp who do not know other campers. Encourage your child to try to make new friends even if their friends are there.
3. Encourage your child to NOT call home if: they are afraid, don't like camp, don't like the people, etc. Instead encourage them to talk to the camp staff if they feel badly about any of these things. The camp staff is trained to deal with homesickness. When children believe that they can go home if they want, it undermines the authority of the camp staff and prevents them from adequately taking care of your child.
4. If you get a call or a message saying "PLEASE COME GET ME NOW!!!" please call the Camp Director who will be best able to discuss with your child's situation. We want what is best for every child.
5. Pray with your child before camp for God to use the week to teach them specific things that are important in your child's life at this time. The reason we have Camp Briarwood is to present the gospel of Christ and challenge campers to live a life of faith in every way. The Camp staff seeks many ways to do this in each camper's life. Campers will have a "quiet time" study each morning. Each evening campers will gather in their small groups to reflect on and talk about things they saw and learned during the day, how things connect with what they are studying throughout the week, and how it applies to their lives.
